## DESCRIPTION OF CULTIVARS OFFERED

### All Mak Lilies

#### **ASIATIC HYBRIDS**

**Chocolate Event** – Unusual beige melon color with dark burgundy/maroon overlay that appears chocolate in color. 3' June blooming.

**Forever Susan** – Superb inflorescence of vivid “black” flowers, shading into fiery orange at their pointed tips. Flowers have half anthers and do not shed pollen; developed by Dr. Robert Griesbach, 3-4' June.

**Purple Dream** – Unusual upfacing lily with violet-pink petals and a plum, almost black freckled center. 3' tall, slightly outfacing.

#### **ORIENTAL TRUMPET (ORIENPET) HYBRIDS**

**Bastogne** – Medium pink 8-10” blooms with soft lavender overcast, white pencil edges. 3-4'. Named for Bastogne, Belgium, famous for Battle of the Bulge in WWII.

**Belville** – Upfacing luminous soft yellow flowers with sweet fragrance. Vigorous grower to 4-5'.

**Conca d'Or** – Humongous flowers of lemon yellow with cream white outer edges and a sweet fragrance, 3-5'

**Gauche** – New introduction, upfacing white flowers with a starry red center; 3-4'

**Miss Peculiar** – White with orange-gold throat, brushed with burgundy on the back up to 10” flowers, 4-5'

**Orange Space** – Glowing orange flowers on 5' stems, out-facing, lightly scented, 4-5'

**Resolute** – Delightful rich pink in blend of tones, upfacing, 4-5'

**Robert Swanson** – Up to 7” wide blooms with gently recurved tepals, bright yellow-orange blooms with deep purple-red inner flames, 4-5'.

**Shine On** – Color is not quite butter, not quite gold but with soft apricot overtones; strong stems, 3-4'.
